

## **Agency Agreement Between Door Com Products & RegaLead Canada**

To our Valued Customers,

It gives us great pleasure to announce that effective Feb. 1<sup>st</sup>. 2020 Door Com Products has reached an agency agreement with RegaLead Canada Ltd. to distribute all of their fenestration products both in Canada and the United States of America.

RegaLead Canada's parent company, RegaLead Limited of the U.K. is the preeminent UK manufacturer for decorative glass components, doorlites and coatings for the fenestration sector. This agreement allows Door Com the ability to provide our customers a unique european range of products.

Door Com Products is committed to providing innovative products and solutions that enable our customers to partner with us to meet their customers' needs. Product range is a critical need for many customers, and offering the RegaLead lines will provide additional choice for our customers. RegaLead shares the commitment to innovation and high-quality products that help enhance our customers' product range.

At this time we would also like to announce that Ricardo Figueiredo former Sales Manager of RegaLead Canada has joined the Door Com staff and along with our current sales staff of Frank Coculuzzi and Tony Macoretta will be contacting you shortly to go over the additional products that we now offer.

We at Door Com Products would like thank you for your continued support.

Kind regards,

Door Com Products
